Small Animal Feed

grain-free rabbit muesli

Our Uncle Pet Premium grain-free Rabbit Muesli is a rich and varied textured muesli for all rabbit and dwarf rabbit breeds. The raw fibre-rich mix with delicious, vitamin-rich vegetables, valuable grasses and tasty lucerne helps with the important abrasion of constantly growing teeth and supports digestion with its high structure content. The black cumin seed cake it contains belongs to the oilseed family and not only provides essential oils, but also vitamins, minerals, trace elements, essential and non-essential amino acids, which can have a supportive effect on the entire organism. Our grain-free muesli therefore provides an optimal nutritional basis for a healthy animal life.

The benefits at a glance:

- grain-free
- with the natural power of apple, carrot and beetroot
- with black cumin pellets for a strong immune system and healthy intestinal flora
- high crude fibre content for regulated digestion
