

Carnebello with Beef

Wet Food

Complete feed for adult dogs

Our Eggersmann Carnebello with Beef is an appetising canned dog food with a high energy content, making it particularly popular among active dogs. The succulent muscle meat gives it a firm, meaty texture that dogs love. Combining a high amount of premium-quality, easily digestible beef with salmon oil and omega-3 fatty acids, it provides your dog with all the nutrients it needs. Because of the particularly gentle cooking process, all important vitamins and minerals are retained in this complete dog food. As it is completely free from grains, sugar, artificial colours and flavours, our canned dog food provides your dog with both a tasty and nutritious meal. Our Eggersmann Carnebello with Beef is suitable as a complete food for adult dogs but can also be mixed with dry food if preferred.
