

Carnebello with Lamb

Wet Food

Complete feed for adult dogs

Our Eggersmann Carnebello with Lamb is a high quality wet dog food with a well-balanced energy content. It contains natural lamb fat, which can help with digestive disorders and also help your dog to develop a healthy stomach mucosa. The juicy muscle meat, combined with salmon oil and valuable omega-3 fatty acids provides your dog with all the nutrients it needs. Because of the particularly gentle cooking process, all the important vitamins, trace elements and minerals are retained in this complete dog feed. As it is completely free from grains, sugar and artificial colours and flavours, our wet dog feed provides your dog with both a tasty and nutritious meal. Our Eggersmann Carnebello with Lamb is suitable as a complete feed for adult dogs but can also be mixed with dry feed if preferred.

Doporučené dávkování:

Feeding recommendation:
